FOR IMMEDIATE RELEASE

June 14, 2017

FORT RILEY, KS - The Flint Hills Regional Council is proud to announce the hiring of Justin Kuzila as the organization's Community Development Planner. He will be heavily involved in supporting communities by providing assistance in economic and community development issues facing local governments.

Prior to joining the Flint Hills Regional Council, Justin received his Master's in Urban Planning from The University of Kansas. During his time at the university, he worked as an intern with the Mid-American Regional Council in Kansas City and several housing nonprofits in that area. After receiving his undergraduate degree in Community and Regional Planning from Iowa State University, he worked as a GIS Technician at Burns and McDonnell as well as BHC Rhodes.

Gary Stith, FHRC Director, feels that he is a great addition to the organization. "Justin brings a lot of enthusiasm and an interest in working with the small communities in our region."
