

Addendum Regional Water Study from Wamego to Manhattan

Date: 8.28.26

Please note that the question period will be extended to August 31st at 12 p.m. CT.

Extension of Proposal Deadline: September 18th at 12:00 p.m. CT.

Questions:

1. Which entities would be included in the study?

- The Highway 24 Corridor to include:
 - City of Manhattan (within Pottawatomie County), St. George, and Wamego
 - Unincorporated areas with Pottawatomie County, South to Military Trail Rd and a ½ mile north of Elm Slough Road
 - Rural water district Pottawatomie #1

2. The timeframe seems tight, given the coordination needed with local entities. Is the information from local entities readily available?

- The communities are participating in the study and selection of a consultant and will assist the selected consultant.

3. Is there flexibility on the schedule?

- Yes, we will extend the due date of the proposal to September 18th at noon central time.
- The extension of the final deliverable is possible but limited by the legislative deadline. Consideration of that extension is based on the progress of the project in January 2027.

4. Is there a budget identified for the study that you could share?

- The budget amount set by the legislature is \$200,000.
